Cathedral provides students of all economic and faith backgrounds access to a high quality education, propelling them to graduate and reach their full potential.

The purpose of the Adopt-A-Student Foundation is to provide assistance to Cathedral High School in support of the school's mission, including student scholarships, educational programs and teacher professional development. With the help of Boston's generous philanthropic community, the Adopt-A-Student Foundation helps Cathedral deliver a high-quality private education for families who would not otherwise have access.
